## Second Kiss

You read it in Side Dish first, but now it's official, John Tunney III, has opened a second location of his hot Mexican restaurant Besito in Roslyn. The restaurant entrepreneur, who also owns Blue Honu and the American Burger Company, has opened the second Besito at 1500 Northern Blvd. The flagship of each of Tunney's restaurants are on New York Avenue in Huntington Village. The Roslyn Besito will replicate the successful formula of the Huntington original. Tunney now plans to take the concept national and develop 50 Besitos over the next 5 years. Check it out at [www.besitomex.com](http://www.besitomex.com) or better yet, in person.
